

ETH Model United Nations

Our Vision

Bringing together young and ambitious personalities with various backgrounds in science, technology and engineering in order to create a future-oriented society for a better tomorrow.

Our Mission

Founded in 2007, ETH MUN brings together students to foster and evolve critical thinking. In our weekly sessions during the semester, where we deal with a current political topic, and at various international conferences where ETH MUN is present with a delegation, our members are able to acquire a wide array of skills.

ETH MUN

Founded in 2007

Over 61 Conferences

47 Nationalities

800 Members&Alumni

ETH MUN is a student organisation of ETH Zurich and a committee of the VSETH. Among our around 100 active and about 700 former members are students, postgraduates and alumni of all disciplines of ETH and 47 different nationalities. In our sessions we attach great importance to international sympathy, cultural exchange and awareness for problems of global scale.

Our organisation has the unique potential to thrill our members from science and engineering to have a scientific debate about problems of politics and in our society both in the sessions at ETH

Events

Weekly Sessions: Weekly simulations of an UN-committee with one topic per semester

Conferences: International meetings with many delegates from around the world, 3 european and 1 extra-european conference per year as well as our own conference in Zurich organised by us (ZuMUN)

Kick-off: Presentation of ETH MUN and our main sponsor, possibility for speeches, aperitif served afterwards

Christmas Party & Barbecue: Get-together of active members and

What is MUN?

MUN - Model United Nations - is a simulation of UN-Sessions and assemblies of different UN committees with the goal of working towards and deciding upon a resolution solving the given problem. During the debate, every delegate represents one country and negotiates in the interest of this country. Conducted for the first time in 1920 as League of Nations, there is now a network of 400 conferences worldwide.

Partner benefits

There are different levels of sponsoring. Depending upon which one your company chooses, you can expect a number of benefits.

- Experience new opportunities in interdisciplinary student recruiting and marketing at ETH Zurich and beyond
- International branding through numerous international conferences organized by Ivy-League and other elite Universities all across the world
- Media appearances through regular coverage in Forum and student papers like Polykum and Blitz
- Company presentations at our local events like our Kick-Off, Summer BBQ or Christmas Party with anywhere from 50 to over 150 students attending
- Placement of your logo on all our materials to increase recognition value

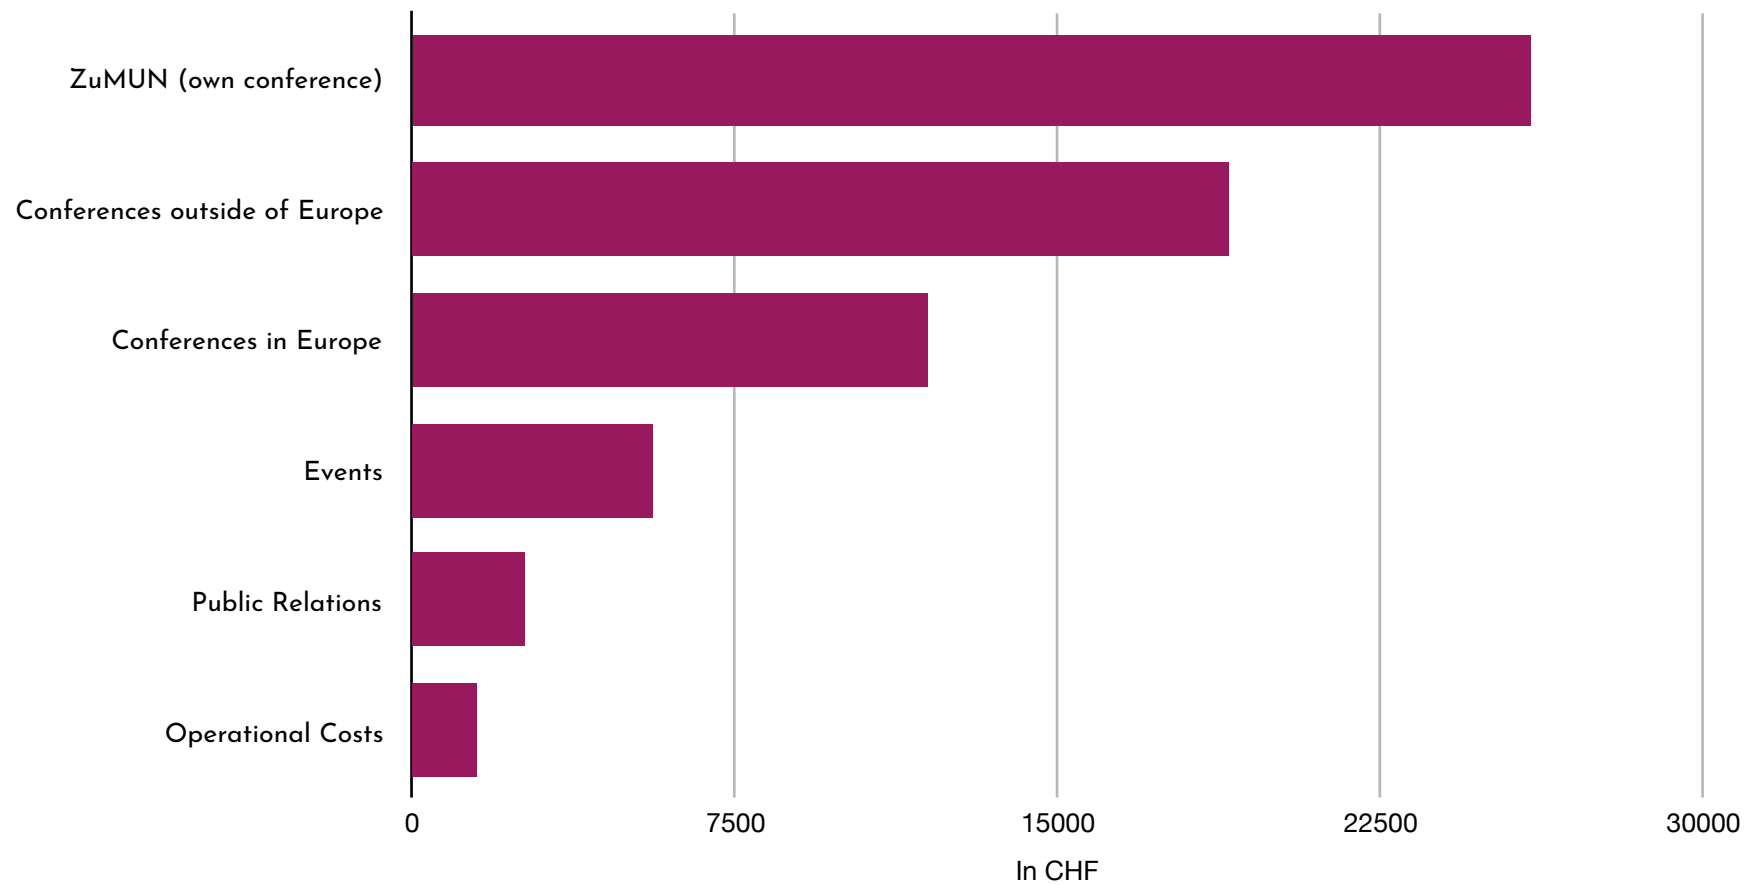

Sponsoring levels and benefits

ETH Model United Nations (ETH MUN)

Dear ETH MUN Committee,

I am delighted to support the ETH Model United Nations (ETH MUN), which was founded in 2007 (<http://www.mun.ethz.ch>). I understand that there are more than 400 MUN conferences every year around the world. In Zurich, ETH students from multiple departments dedicate each week an evening to train for these conferences.

It is important that the younger generation debates the global challenges and uses its creative mind to propose solutions. This is an outstanding opportunity for young adults to learn about leadership, diversity, rhetoric, and to engage with peers from around the world in debating and in multidisciplinary and critical thinking.

ETH Zurich encourages companies to support the ETH MUN committee and thus to enable students to make a connection between politics, economy and science. Furthermore, this is a great possibility for your company to get in contact with dedicated students of a wide range of disciplines.

Yours sincerely,

Prof. Dr. Sarah M. Springman

HamMUN 2018

1x Best Position Paper
2x Honorable Mentions

OxIMUN 2018

1x Honorable Mention
2x Chairing Positions

Singapore MUN 2018:

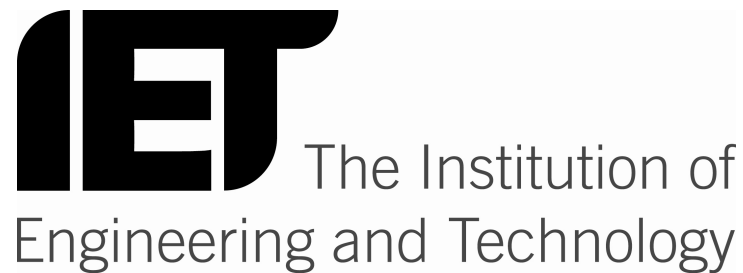

2x Best Delegate Award
3x Honorable Mention

New York MUN 2017:

1x Best Position Paper
1x Distinguished Delegation Award
